

# Globe Info Systems

Gravity lies here...

**In the next few minutes you will find solutions for...**

Who we are..?

What we do..?

How we do..?

Why we..?

Where we are..?

## At Globe Info Systems...

We bring the complete HR, Payroll, Accounting, Web based and Networking solutions under one roof.

We guarantee high quality personalised services that ensure compatibility with a broad range of platforms.

We value the power of relation over sales. Our commitment is to ensure that your entire GIS experience is pleasant and memorable one.

Here is a sneak peek of what we do .....

We provide a variety of services...

Most customers' needs are unique, which is why we take great care to ensure, the communication with our clients is in a prompt and professional manner.

What we do..?

## Our approach in doing it better...

- Pre-requisite before taking up the payroll process work from client.
- Adherence to the corporate policy
- Collecting time sheets with attendance sheets
- Receiving salary details
- Updating salary details
- Generation of reports
- Rectifications / Modifications

We do not change our customer's need to fit the solution, but provide the solution to meet the requirements of our customers.

## Key reasons for our presence in your business...

- Reduce Costs
- Avoid IRS Penalties
- Reliability and Continuity
- Offer Direct Deposit
- Free Up Time for core activities
- Avoid Technology Headaches
- Leverage Outside Payroll Expertise
- Avoid Payroll Knowledge Walking Out the Door
- One contract
- One price
- One invoice
- One monthly consolidated reports
- One dedicated Account Manager
- One working language : English
